

WATERCO 25W UV-C Disinfection System

Manufactured in the UK, the Waterco UV-C range has been specifically designed to deliver exceptional performance, great water clarity, all the while being economical to run. The range of UVs come in three options, 25 Watt, 55 Watt and 110 Watt. The range has been designed with cost and practicality in mind, adding value to our customers.

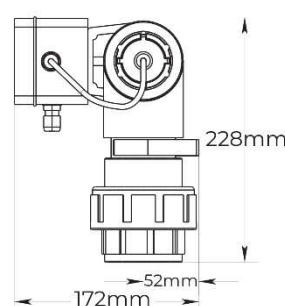

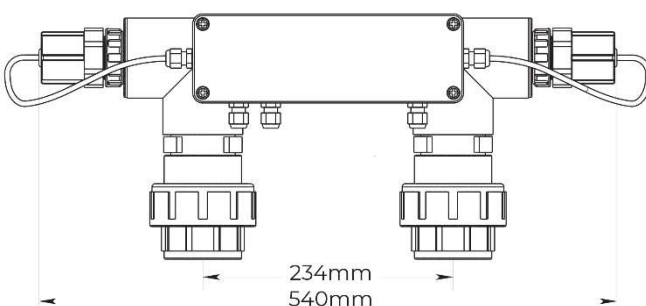

Features & Benefits

- High output, energy efficient electronic ballast
- Fully serviceable for easy maintenance
- Easy to install
- UV bulbs deliver high output
- No dead spots in the filament
- Longer lasting UVC bulb lifespan
- Average lamp life expectancy: 2 years / 9000 hours
- 2 year warranty (excluding bulb & quartz sleeve)
- Compatible with salt chlorinators

UK / EU

Recommended max flow: **10m³**
 Max. pool volume: **25m³**
 Voltage: **220V - 240V**
 Number of bulbs: **1 x 25W**
 Temperature range: **<45°C**
 Max. power consumption: **21W**
 Ingress protection rating: **IP65**
 Working pressure: **2.5 Bar**
 Water connections: **2.0" / 63mm**

WATERCO 55W UV-C Disinfection System

Manufactured in the UK, the Waterco UV-C range has been specifically designed to deliver exceptional performance, great water clarity, all the while being economical to run. The range of UVs come in three options, 25 Watt, 55 Watt and 110 Watt. The range has been designed with cost and practicality in mind, adding value to our customers.

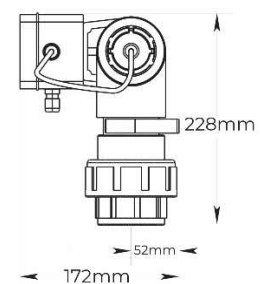

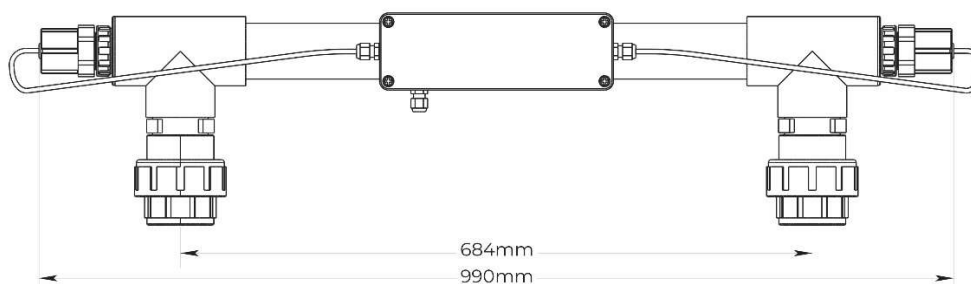

Features & Benefits

- High output, energy efficient electronic ballast
- Fully serviceable for easy maintenance
- Easy to install
- UV bulbs deliver high output
- No dead spots in the filament
- Longer lasting UVC bulb lifespan
- Average lamp life expectancy: 2 years / 9000 hours
- 2 year warranty (excluding bulb and quartz tube)
- Compatible with salt chlorinators

UK / EU

Recommended max flow: 20m³
 Max. pool volume: 55m³
 Voltage: 220V - 240V
 Number of bulbs: 1 x 55W
 Temperature range: <45°C
 Max. power consumption: 49W
 Ingress protection rating: IP65
 Working pressure: 2.5 Bar
 Water connections: 2.0" / 63mm

Dimensions

WATERCO 75W UV-C Disinfection System

Manufactured in the UK, the Waterco UV-C range has been specifically designed to deliver exceptional performance, great water clarity, all the while being economical to run. The range of UVs come in four options, 25W, 55W, 75W and 110W. The range has been designed with cost and practicality in mind, adding value to our customers.

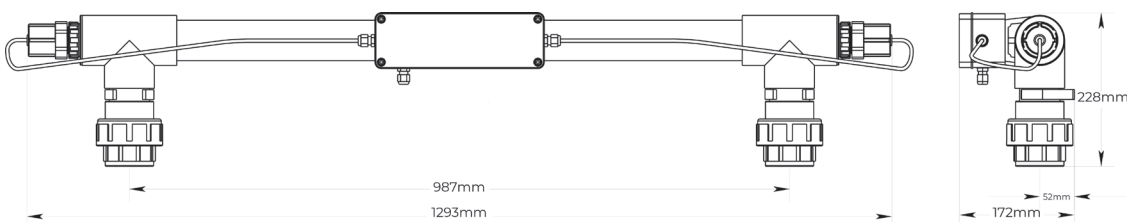

Features & Benefits

- High output, energy efficient electronic ballast
- Fully serviceable for easy maintenance
- Easy to install
- UV bulbs deliver high output
- No dead spots in the filament
- Longer lasting UVC bulb lifespan
- Average lamp life expectancy: 2 years / 9000 hours
- 2 year guarantee
- Compatible with salt chlorinators

UK / EU Specifications

Recommended max flow: **25m³**
 Max. pool volume: **75m³**
 Voltage: **220V - 240V**
 Number of bulbs: **1 x 75W**
 Temperature range: **<45°C**
 Max. power consumption: **63W**
 Ingress protection rating: **IP65**
 Working pressure: **2.5 Bar**
 Water connections: **1.5" / 2.0"**
